HOME, PLEASE READ THE SUMMONS AND COMPLAINT CAREFULLY. YOU SHOULD IMMEDIATELY CONTACT AN ATTORNEY OR YOUR LOCAL LEGAL AID OFFICE TO OBTAIN ADVICE ON HOW TO PROTECT YOURSELF. SOURCES OF INFORMATION AND ASSISTANCE

The state encourages you to become informed about your options in foreclosure. In addition to seeking assistance from an attorney or legal aid office, there are government agencies and non-profit organizations that you may contact for information about possible options, including trying to work with your lender during this process. To locate an entity near you, you may call the toll-free helpline maintained by the New York State Department of Financial Services at 1-877-BANK-NYS (1-877-226-5697) or the Foreclosure Relief Hotline 1-800-269-0990 or visit the department's website at WWW.DFS.NY.GOV. FORECLOSURE RESCUE SCAMS Be careful of people who approach you with offers to "save" your home. There are individuals who watch for notices of foreclosure actions in order to unfairly profit from a homeowner's distress. You should be extremely careful about any such promises and any suggestions that you pay them a fee or sign over your deed. State law requires anyone offering such services for profit to enter into a contract which fully describes the services they will perform and fees they will charge, and which prohibits them from taking any money from you until they have completed all such promised services. \$1303 NOTICE NOTICE YOU ARE IN DANGER OF LOSING YOUR HOME If you do not respond to this summons and complaint by serving a copy of the answer on the attorney for the mortgage company who filed the foreclosure

ing provisions of the Orange County Administrative Code, Article II, Section 2.19. As to the time frame within which the Orange County Legislature must approve a plan of reapportionment. The reason for suspending that portion of the Orange County Administrative Code is due to the timeframe within which it took for the County to receive the population numbers from New York State and to now provide for the new election districts created as of February 15, 2013. This Legislature finds that such action is necessary and in accordance with the spirit and letter of federal, state and county law.

This Local Law shall take effect as provided by the New York State Municipal Home Rule Law and upon completion of the requisite filings and procedures. Therefore, pursuant to Section 20 of the Municipal Home Rule Law, the County Executive of the County of Orange will hold a public hearing on the aforesaid Local Laws in the Conference Room of the County Executive in the Emergency Services Building, 22 Wells Farm Road, Goshen, New York, on the 25th day of April, 2013, at 10:00 o'clock in the morning of that day, at which time all persons interested therein will be heard.

A true copy of said local laws is on file in the Office of the Clerk of the Orange County Legislature, Suite 203, 15 Matthews Street, Goshen, New York, 10924
